

# broadloop

Dispatch Intelligence & Virtual Fleet Logistics

## COORDINATION

Manage your sub trucks just like you do your own. Keep them all on the same page.

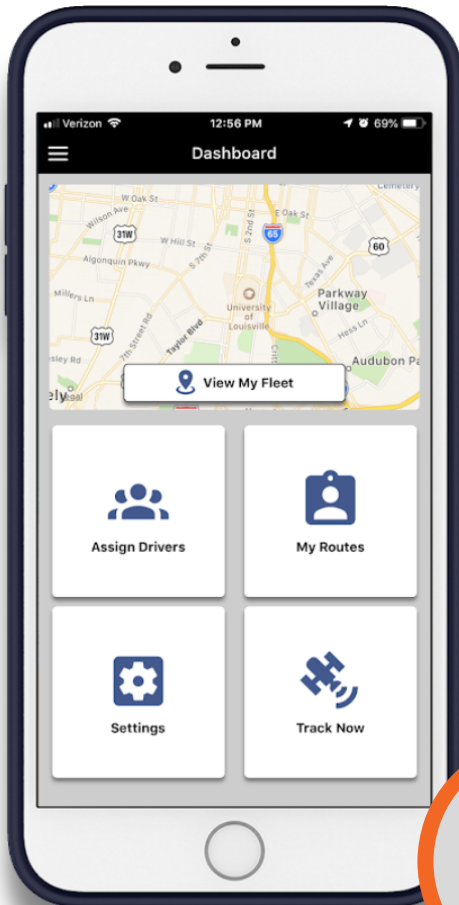

## COMMUNICATION

Streamline inbound dispatch requests.. Send instructions to ALL your trucks with 1-click.

## COST CONTROL

Analyze your fleet's efficiency to confirm true margins and optimal rates.

## COMPLIANCE

Manage driver info plus track mileage for IFTA filings for your trucks.

Help contractors meet state E-Ticketing specs for HMA & other ticketed materials.

## COLLABORATION

Use our GPS or dash cameras OR add BroadLoop on top of:
